

VeggieDog Origin

with red lentil

With its vegetarian, glutenfree recipe, VeggieDog Origin provides your adult canine with all essential nutrients. Tasty red lentils provide your pooch with important amino acids. Taurine and L-carnitine are beneficial for your four-legged friend's heart, and valuable antioxidants can help prevent cell-aging. On top of it all, your four-legged friend can help make the world more sustainable every day!

gluten free recipe

This recipe does not contain any grain and is suitable as a daily gluten free food for healthy and sensitive dogs.

heart function

L-carnitine and taurine support heart function.
